

Ruspidge

Local History Event

~ At Ruspidge Memorial Hall ~

Saturday 1st October - 10:30 to 16:30

Sunday 2nd October - 10:30 to 16:30

Our last exhibition was so successful that we have decided to repeat it, with even more items on display.

If you remember what Ruspidge used to be like, then this will be a chance to talk about school days and dances at the Hall, childhood adventures, carnivals, local football, the railway and the pit. Bring along your own pictures and treasures from the past, or lend them to us so that we can display them over the weekend. Phone Heather on 822678 if you want to talk about this.

And if you are only a youngster or you have moved into the area more recently, this will be a chance to learn about the village and its history.
