A Bandstand on Scarr Farm land has stood sentinel over changes in the Forest of Dean for possibly as long as 120 years and has been un-used since the late 1970's.

Now changes are taking place.

The Friends of Scarr Bandstand was formed in 2016 with the aim of preparing the site for use and to promote events there during the Summer months.

Events are now planned for July and August 2017!
